Swanson for Attorney General  
Box 65490  
St. Paul, MN 55165

Dear Elizabeth:

It was a pleasure to be interviewed about my experience in working as an Assistant Attorney General with Lori Swanson.

While I was employed in the Office Lori held the position of Solicitor General and, when I left the office, the position of Attorney General. I found Lori to be a brilliant attorney whose commitment and work ethic motivate those around her. I truly enjoyed working with her. She was extremely supportive, and I recall her taking the time to give me encouragement on projects that were particularly challenging.

Lori is a great Attorney General who puts the people of the state before any personal or political interest. She is a dedicated public servant and I am very proud to have had the opportunity to serve our great State with her.

After I was married, I left the Office for a career in the private sector. The quality of my work and the service I now provide my clients is benefited by my service with Lori Swanson.

There are few public servants who have the integrity, the wisdom, or the enthusiasm of Lori Swanson. I believe we are fortunate to have her as Attorney General.

Sincerely,

  
Bill Amberg
